WORKSHOP DESCRIPTIONS

- 1. STEWARD & COMMITTEEPERSON TRAINING** Whether you are a new Steward or Committeeperson or an experienced one, this class offers an opportunity to learn and share information on how to respond to our members' grievances.
- 2. BASIC UNIONISM** There is something for everyone in the labor movement, and in this class. For new members or members that never received an orientation, Basic Unionism covers the broad questions of how and why we do what we do. Show up, stand up, and be counted.
- 3. PUBLIC SPEAKING & COMMUNICATION SKILLS** Get up and speak up! If you're active in the union, or want to become active, sooner or later you're going to have to get up and speak up. Learn to put together a brief speech, one that will move your listeners and get attention--in a good way.
- 4. LOCAL UNION ADMINISTRATION** Whether you just got elected or have been in office for years, this class will teach you the laws, rules and guidelines we all live by in the labor movement. Federal, State laws as well as Constitution and By-Laws will be covered in this class.
- 5. LABOR'S PAST, PRESENT & FUTURE** Members of this class will learn about our glorious past, our busy and sometimes difficult present, and discuss how to make an exciting and better future. A perfect class for newer union members.
- 6. ELECTRONIC & PRINT MEDIA** This class offers new ways to communicate electronically, and also to explore print media that pops, reaches out, and grabs you.
